Photography by Cathy Miller at City Hall through April

Through the month of April visitors to City Hall at 83 Broadway in Newburgh can enjoy themed photographs from the Newburgh Waterfront by Cathy Miller. The photographs taken in the summer of 2011 speak of warm days and leisure time against the stunning backdrop of the Hudson River.

Photography is a relatively new venture for Cathy, who is an accomplished artist in oils. She has earned two State Poster Awards in the NFA Art Department and attended Finch Women's Art College in Manhattan.

"None of these photos were planned," said Cathy. "These shots might begin to show the place we live...overlook...and sometimes can't explain in words."
